Great Ocean Road, Australia

The Scenic Story

When Glen Moroney founded Scenic Luxury Cruises & Tours in Newcastle, Australia, in 1986, he laid the foundation for a family-run company that stands for quality, innovation, and exceptional travel experiences.

Today, we look back on a long history of creating outstanding river and ocean cruises. Our portfolio includes 26 elegant river ships from the Scenic and Emerald Cruises & Tours brands that travel the most beautiful waterways in Europe and Asia. Since 2019, the shipping company has also been demonstrating its expertise on the world's oceans with the luxurious yachts Scenic Eclipse, Scenic Eclipse II, Emerald Azzurra, Emerald Sakara, and Emerald Kaia. Future newbuilds such as Emerald Raiya, Emerald Xara, Scenic Ikon, and Emerald Lumi will continue this success story.

On board our ships, your guests will enjoy the highest level of comfort and personal service with numerous amenities included – from excellent cuisine and a selection of beverages to hand-picked excursions. Even gratuities and service charges are included in the price of the trip, so your customers can concentrate fully on the experience. Modern Luxury on the River

The first Emerald Cruises ships began sailing Europe's rivers in 2014, surpassing expectations with their modern luxury. Over the following years, the fleet was gradually expanded, and today, Emerald Harmony even brings inspiration to the Mekong in Southeast Asia. Each of our twelve Star-Ships is defined by its stylish ambiance, thoughtful design, and numerous highlights. Among them is a true innovation in the river cruise segment: a heated indoor pool that transforms into an open-air cinema complete with lounge seating.

On our impressive itineraries, we take your guests to the hearts of fascinating metropolises and UNESCO World Heritage sites – with personalized service, limitless comfort, and countless extras that are standard with Emerald Cruises & Tours.

Coming in 2027: Emerald Lumi marks a new chapter in our award-winning fleet. An elegant new build with space for up to 130 guests, the ship opens up a new river destination for Emerald Cruises & Tours with the Seine. Thanks to its specially designed construction, Emerald Lumi is one of the few ships that can sail directly to Honfleur, offering your customers an exclusive and distinctive French experience.

Modern Luxury on the Sea

Emerald Cruises has earned an award-winning reputation, which since 2022 has also extended to the world's oceans. The luxury yacht Emerald Azzurra and her sister ship Emerald Sakara offer up to 100 guests generous space and ultimate comfort – from several dining venues, lounges and bars to a spa and wellness centre with infinity pool. Between the Mediterranean, the Caribbean, the Seychelles and the Red Sea, we head for distinctive ports and, thanks to the sleek design of our yachts, can moor even in hidden coastal locations.

From 2026, the new superyacht Emerald Kaia will enrich our fleet – with expanded areas such as a 50% larger spa, a gym with direct sea access and a stylish marina lounge. Emerald Raiya (2027) and Emerald Xara (2028) will follow as two further new builds, each accommodating up to 128 guests, which will consistently develop the yacht concept of Emerald Cruises & Tours and open up even more space for a relaxed superyacht lifestyle.

Emerald Harmony

Emerald Harmony, Sun Deck

When you travel aboard an Emerald Cruises Star-Ship, the journey becomes the destination. Each river ship has been meticulously designed to accommodate a small number of guests, ensuring the highest level of comfort. Most of our European ships feature a pool that transforms into an open-air cinema in the evening. Starting in 2026, the yacht-inspired Emerald Astra will join the fleet, impressing with its innovative amenities.

On board Emerald Harmony, custom-built to sail the Mekong, the Sun and Pool decks are remarkable places to unwind, as guests take a refreshing dip, enjoy an al fresco drink and take shade from the sun. Authentic dark wooden tones, muted colours and local art work adorn the walls of the Lotus Lounge, situated on the Vista Deck, perfectly positioned to observe as the ship docks in the centre of Ho Chi Minh City, the only vessel of its type to do so.

1

**Pool &
Open-Air-Kino**

Located on the Horizon Deck at the back of the majority of our Star-Ships*, you can enjoy a leisurely swim as a cooling river breeze from the retractable roof and floor-to-ceiling views provide the perfect setting. On selected evenings, this lovely space is transformed into an evening cinema and, of course, complimentary popcorn will be yours to graze on.

2

**Wellness
Area**

We want you to return home from your river cruise, not only full of tales to tell, but feeling relaxed and rested. With that in mind, our Wellness Area features a well-equipped gym, for those who want to maintain their fitness regime. And enjoy a range of spa treatments for that much-needed 'me' time. Spoil yourself with a massage, facial, new hairstyle or beard trim.

3

**Staterooms &
Suites**

Every one of our suite and stateroom categories are of a standard that you would expect from a world-class hotel. All suites feature their own private balcony, complete with an all-weather system, enabling you to admire the views in complete comfort, while our staterooms provide picture windows, inviting in the natural light.

4

**Restaurant
Reflections**

Located on the Vista Deck, Reflections Restaurant invites you to enjoy breathtaking river views through floor-to-ceiling windows, while savouring a menu of regional and seasonal specialties. As the centerpiece of our onboard dining, it offers tables for two to ten guests.

5

**Horizon Bar & Lounge
and The Terrace**

A spacious and contemporary meeting place at any time of the day, get comfortable on the plush seating and treat yourself to a glass of local wine, beer or perhaps a cup of tea or coffee. The Terrace is situated at the fore of our Star-Ships, an indoor and outdoor space separated by floor-to-ceiling glass windows.

6

**Sun
Deck**

Head to the top of our Star-Ships to enjoy the best views of the river from the spacious Sun Deck. An open area, where you can bask in the sunshine or enjoy a crisp morning from your deck chair. Try your hand at a game of noughts and crosses, challenge a fellow guest to some putting or simply relax with a drink.

*Emerald Radiance on the Douro River does not have an indoor pool/cinema, instead there is a spa-style Serenity Pool on the Sun Deck.
